Michelle-

Just a heads up that Jeff Paul, (cc'd) to this email, will be the CH2M person who will deploy the EPA split samplers on Monday. He'll meet you just inside the gate of Area 40 at 9am. Jeff's cell is 559 905 2004

We will deploy the splits at locations 2, 24, 8 and 31 (same as last round).
